

For Immediate Release:

What: Wait...before you go back to school come out to Adventure Park USA on Saturday August 15, 2009 to see the monsters. Monster Jam World Finalist Black Stallion and the Iron Warrior monster trucks will be on display all day in the park. Come out with the family enjoy the entertainment and rides. See the trucks, meet the drivers, get their autographs and get a picture taken with these gargantuan monsters on wheels. For an added treat come see Kamikaze the jet powered 4-wheeler. This modified 4-wheeler is only one of two in the world. Get a look at the 1500 horse powered jet engine that is used in helicopters. The jet can shoot flames out over 25 feet when it is in action. Don't miss this fun affordable family fun. Join us at Adventure Park USA in New Market Maryland.
